

SUMMARY

Motivated and experienced Tester with expertise in analyzing system requirements, creating test plans, and executing functional, regression, usability, and exploratory testing to ensure software quality. Proficient in using tools like JIRA, X-ray, ALM, Bizagi, and Selenium for defect logging, test management, and automation.

Certified in AWS Cloud Practitioner and CISSP, with strong programming skills in Python, C++, JavaScript, and SQL. Adept at collaborating with cross-functional teams, maintaining thorough documentation, and delivering high-quality software solutions in dynamic environments. Known for excellent problem-solving, communication, and organizational skills.

EDUCATION

Walter Sisulu University

Diploma in ICT Support Services
2023

Bloekombos Secondary School

Matric
2018

SKILLS

- **Programming & Scripting:**
 - Python
 - JavaScript
 - Java
 - HTML & CSS
- **Database Management:**
 - SQL and MongoDB
 - Snowflake
- **Tools & Technologies:**
 - Packet Tracer
 - Microsoft Office
 - Data visualization tools
- **Cloud Computing**
- **Cybersecurity**
 - Understanding of cybersecurity principle

PROFESSIONAL EXPERIENCE

Automation Tester - Intern

OLD MUTUAL | 2024 September - Present

- Designed, executed, and maintained comprehensive test suites across various platforms (Bizagi, BaNCS, Cmos, FE) encompassing functional, regression, UI/UX, and data-driven testing.
- Developed and executed test cases and scenarios, creating and managing test data to ensure thorough coverage. Leveraged Selenium for automated testing, writing and maintaining robust test scripts.
- Proficient in defect tracking and management using Jira, documenting detailed descriptions and steps to facilitate efficient resolution.
- Utilized X-ray for effective test evidence recording and traceability. Conducted thorough UI/UX testing to ensure an optimal user experience.

Software and Automation Tester - Candidate

CAPACITI | 2024 February - 2024, August

- Developed a responsive website showcasing strong front-end development skills utilizing HTML, CSS, JavaScript. Gained hands-on experience in full-stack development by building web applications and working across multiple programming languages, including like Python, Java.
- Successfully collaborated with teams to deliver projects using agile methodologies, fostering effective communication and iterative progress.
- Gained proficiency in working with various database technologies, including MongoDB, Snowflake, and SQL.

Marketing and sales - Intern

IFORITWORLD | 2023 March - 2023 December

- Ensured data accuracy and integrity by reviewing and verifying captured data.
- Managed and organized information using Excel, maintaining efficient record-keeping systems.
- Conducted quality checks on data entries to ensure compliance with company standards.
- Supported administrative operations by handling documentation and reporting tasks.

CERTIFICATIONS

- **AWS Certified Cloud Practitioner**
- **Cisco Networking Academy**
 - CCNAV7: Introduction to Networks
 - Introduction to Cybersecurity
 - Networking Basics
 - Junior Cybersecurity Analyst
- **Simplilearn**
 - CISSP: Certified Information Systems Security Professional
 - TOGAF Enterprise Architecture
 - Advanced C++
- **Aspire Institute**
 - Leadership Program
 - Aspire Institute Program (2023)
- **TEFL Professional Institute**
 - Teaching English as a Foreign Language
